Proper Bibliographic Reference Format:

Bibliographic references are single-spaced and indented after the first line:

Parenthetical Citations in Text:

Citations are placed in the context of discussion and are formatted like so, using the author’s last name and the date of publication. Use both authors’ names each time you cite the source:

(Bornstein & Lamb, 1999)

Alternatively, you can integrate the citation into the sentence by means of narrative, like so:

Bornstein and Lamb (1999) summarize research in the field of developmental psychology.
