Document Example:

Proper Reference Format:

ASA references are single-spaced and indented after the first line.

Citation in Text:

Citations are placed in the context of discussion and are formatted like so, using the author’s last name and the date of publication:

(Shapiro 2001)

Alternatively, you can integrate the citation into the sentence by means of narrative, like so:

Shapiro (2001) argued that Bush was right to withdraw from the Kyoto Protocol.
