Abstract (Summary)

Another comic book trade publication, Tripwire, ran a cover featuring a Marvel character, the African-American version of Nick Fury, in the now-famous red, blue- and cream Sheppard Fairy "Hope" poster. Issue #XXX of Action Comics saw President Kennedy play a prominent role pretending to be Clark Kent for a day in order to help Superman preserve his secret identity.

Proper Reference Format:

ASA references are single-spaced and indented after the first line. If you aren’t sure of the database name, you can substitute a website link (In this example, you would substitute the link in place of “ProQuest.”

Citation in Text:

Citations are placed in the context of discussion and are formatted like so, using the author’s last name and the date of publication. If the citation refers to a reference, then:

(Last 2009)

Alternatively, you can integrate the citation into the sentence by means of narrative. This is the preferred way, like so:
